Resource Centre for Health Supplements and Nutraceuticals (ReCHaN)

CII (Confederation of Indian Industry) and IADSA (International Alliance of Dietary/Food Supplement Associations) have jointly set up a Resource Centre for Health Supplements and Nutraceuticals (ReCHaN) to foster an innovation friendly environment and a culture of food safety and quality among manufacturers, businesses, consumers and regulators. ReCHaN in collaboration with **Food Safety and Standards Authority of India (FSSAI)** has been working towards achieving global excellence in a science-based ecosystem for the sector.
